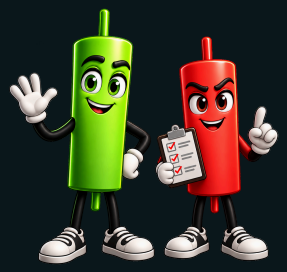
BEFORE THE TRADE

Your Learning Roadmap

Your dashboard journey, one step at a time.



LEARNER NAME

START DATE

START HERE → LEARN → PRACTICE → REVIEW → APPLY

Follow the website pathway. Check each milestone and record your completion date.

YOUR LEARNING PATH + SUPPORTING RESOURCES	DONE	DATE
01 **Identify your trading goal** Choose the skill you want to strengthen first. Start here: Volume 1, What Is Your Why?	☐	
02 **Learn the foundations** Build your market vocabulary and risk awareness. Library: Volumes 1-3; use Volume 6 as a reference.	☐	
03 **Practice trading questions** Use explanations to turn knowledge into recall. Practice: answer questions, revisit explanations, and retry missed topics.	☐	
04 **Recognize candles and structure** Read the pattern together with its context. Chart study: Volume 5; terminology support in Volume 6.	☐	
05 **Strengthen psychology and discipline** Practice patience, limits, and deliberate decisions. Mindset: Volume 4; risk controls in Volume 3.	☐	
06 **Review your progress** Find the areas that need another round. Dashboard: review your results and choose one skill to revisit.	☐	
07 **Build your trading plan** Write the rules you intend to follow. Apply: Volume 7 for your plan; Volume 8 for the full simulation workflow.	☐	
08 **Earn your completion certificate** Complete the required educational milestones. Completion: follow the platform requirements and review your progress.	☐	

MY NEXT FOCUS

NEXT REVIEW DATE

Charts, Mindset, Discipline.
